

BLOOD + ORGAN DONOR PROGRAM

Who is eligible? All Pennsylvania Freemasons are eligible for membership in the Blood and Organ Donor Program. You only need to donate ONE unit of blood for immediate coverage to begin on you and your family.

Mission: To promote Masonic blood drives throughout the state and provide as many opportunities as possible to share the gift of life. We are also an informational source, assist lodges, Masonic Ladies and Youth organization in sponsoring blood drives, activities and events for the purpose of collecting blood donations.

Organ Donation: While the program does not actively procure organ transplants for members, we can assist members by providing additional resources and educational materials to those in need in order to increase the chances of receiving from a donor. Anyone can register to be an organ donor at www.donatelifepa.org and have your drivers license marked as being a donor.

Dues: The club no longer required membership dues but still has operating costs. Donations are always appreciated to help cover these expenses.

DATES: Greensburg (1PM-7PM) Connellsville (830AM-2PM)

May 14, 2020	June 20, 2020
July 9, 2020	August 15, 2020
September 3, 2020	October 24, 2020
October 29, 2020	December 19, 2020

FAQs:

1. What if I cannot donate due to a medical condition, overseas military service, or some other disqualifying issue?

A: NO PROBLEM! At every blood drive our drive coordinators will have a form that any donating person may fill out and complete a donation in your name. Coverage will begin immediately!

2. I have members of lodge who have passed and their surviving spouses would like to join, is that possible?

A: ABSOLUTELY! Widow Membership forms may be completed and returned to Bro. Gary Davis, PDDGM with no donation required!

3. Can members of the Masonic Youth Organizations Join?

A: CERTAINLY! Simply complete the Masonic Youth Membership form and return to Bro. Gary Davis, PDDGM!
